

CORPORATE SERVICES

Our corporate services handles all aspects of your company's corporate governance. Our experienced team ensures your organization stays in full compliance with relevant legal and regulatory requirements and helps your company to maintain its good standing. Furthermore, we can advise, consult and assist with various aspects of your company's administration and other secretarial matters.

COMPANY INCORPORATION

We provides guidance and assistance for companies looking to start their business or to establish a branch office in Indonesia. We have been registering companies since 2009 and provide a highly professional service for all types of company formations.

REGULATORY COMPLIANCE

Companies must follow various policies and regulations to ensure compliance. We have extensive experience helping clients design, implement and enforce comprehensive enterprise-wide compliance programs to mitigate risk and legal exposure.

LICENSING SUPPORT

Tricor Indonesia has team of highly experienced practitioners who can determine which licenses are required for your business, guide you through the application process, and assist from concept through to completion.

LIQUIDATION

Our team of experienced practitioners work regularly on various types of liquidations. We can assess your business's unique set of circumstances and help your team decide the optimal liquidation process.

ABOUT TRICOR GROUP
